Moving the Arts in Ashland from “Good to Great”?

The Board of Education recognized our need to replace McDowell Auditorium and allocated enough money to add a basic auditorium to Ashland High School. We are asking for your help to transform our new facility from a good school auditorium into a community performing arts venue that lives up to Ashland’s long tradition of excellence in music and theater. To support this goal, we are offering a limited number of commemorative seat plaques for sale. Each engraved brushed nickel plaque will be permanently displayed on a seat arm cap in the new auditorium. Money raised through this program will be used to purchase upgraded sound, lighting and stage equipment for the auditorium. Your investment of $500 per plaque will help move our auditorium from good to great.

Act quickly!
A limited number of plaques will be sold. Priority for seat selection will be determined by the date your payment is received.
