Reminders From the Office

If your child will be absent from school, please call the office at 419.289.7965 by 9 a.m. You may call and leave a message on the school voice mail at any hour. Lack of notification within a 24-hour period will result in an unexcused absence.

Please request an excuse to give to the school when your child goes to the doctor/dentist.

Calls to the office throughout the day to change the method of transportation should only be made in case of an emergency. Remember to send a note to your child's teacher if he/she is to take a different way home from school.
