Principal's Message

Edison Family,

This school year has started out wonderfully. We are very busy getting into our curriculum and routines. Please read with your child nightly. Thank you for your support.

Get Your Edison On

We have created a theme for this year Get Your Edison On. What does that mean? Every child and staff member is an important and valued part of our family. We have filled the halls with signs of positive affirmations like: **You are Important, Anything is Possible, You are Enough, Believe in Yourself, You are Amazing.** Our "Magic Squad" staff is working hard daily to give positive and affirming messages to your children. We also value each family. Our goal is that your child will feel welcome and lifted up each day for the blessing they are! We adopted decor from the 60's to help make our halls colorful and filled with joy! Thanks for sharing your children with us!
